

STARCRAFT COMET MINI

COMET MINI

THE NEW LOOK
OF ADVENTURE.

16QB WITH CARBON INTERIOR

16QB WITH CARBON INTERIOR

16QB WITH CARBON INTERIOR

MINIMUM HASSLE. MAXIMUM FUN.

With the all-new Comet Mini, Starcraft delivers a stylish camping experience with ultra-lightweight, easy-to-tow convenience. Innovative floorplans let you choose the right layout for you, each with great features, including quality cabinetry and appliances, a queen-size bed and roomy dinette. You can count on Starcraft for top-quality construction details, starting with a one-piece fiberglass roof for added reliability and the style and durability of diamond plating. It's all about better design and craftsmanship — you can max out your next camping adventures.

- A** In every direction, the Comet Mini impresses with quality and attention to detail. Beautiful warm sugar maple cabinetry, contemporary countertops and window treatments with pleated shades take the stylish interior to the next level. An 18,000 BTU furnace and optional air conditioner and Fan-Tastic® fan ensure all-season comfort and help you extend your camping season.
- B** Highlights of the entertainment center include an optional LED TV with cable prep, a digital antenna, a stereo with Bluetooth and both inside and outside speakers.
- C** The Comet Mini can handle all your gourmet meals, with a two-burner stove, convection microwave, a refrigerator and maximized cabinet storage. The galley is also equipped with a convenient over-sink light.

TWO-YEAR WARRANTY

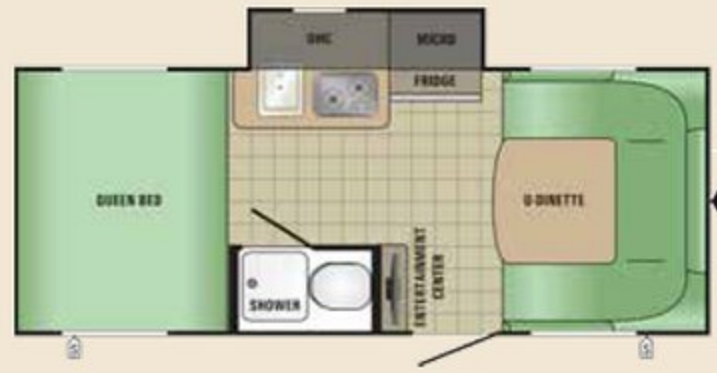

At Starcraft, we are proud to back our RVs with a two-year manufacturer's limited warranty. For a copy of the two-year limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

Another important part of our commitment to better construction is the exclusive TuffShell™ wall design. Using vacuum-bonded lamination, TuffShell combines welded aluminum framing, fiberglass sidewalls and metal backers, ensuring that Starcraft RVs can stand up to the toughest conditions.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.

All information contained in this brochure and on the Starcraft RV website is the latest available and is correct to the best of our knowledge at the time of publication approval. Starcraft reserves the right to make changes and to discontinue models without notice or obligation. Photography may show optional equipment or props used for decoration purposes only. RVs built for sale in Canada may differ to conform to Canadian codes. Check with your Starcraft dealer for the latest in specifications, standard and optional equipment. 09/16
